

Masterplanned Development

Avondale, Arizona

The Empire Group planned and developed the overall site for a 160 acre community in Avondale, AZ. Working with surrounding neighborhoods and city officials, they annexed, planned and zoned the property to include 562 residential lots, a school site, a community recreation area and a 7 acre commercial parcel. Three or more distinctive neighborhoods, each with access to green belt areas, have been created for builders to develop homes within.
