

CLEARWATER L A K E

Imagine:

The sounds of water
traveling softly along a winding creek...

Wildflowers and prairie grasses
providing a parade of seasonal color...

Blazing sunsets reflected
in a spring fed lake...

A private enclave of elegant homes
unique in architectural design...

A quiet, breathtaking place
to call home...

In the heart of Brookfield

CLEARWATER L A K E

784-5253 FAX 784-9633

The gated community of Clearwater Lake began as an open prairie. A great deal of hard work and vision to add a series of lakes, ponds, waterfalls and waterways went into building the final design. Families and mallard ducks share this neighborhood that features condominiums in town home format, ranging in size from 1,800 to 3,000 square feet.
